

REMARKS

In the preliminary amendment filed December 3, 2003, the amendment to a paragraph in the specification did not include markings to show all the changes relative to the previous version of the paragraph.

In response to the Notice of Non-Compliant Amendment dated October 18, 2006, Applicant herein submits a "corrected section" of the preliminary amendment to include the markings that were omitted in the preliminary amendment. The "corrected section" is being filed within one month from the date of the Notice. Reconsideration of the above-referenced application as amended is therefore respectfully requested.

Respectfully submitted,
